Racially Identifiable Schools within District

If you have been notified by the Minnesota Department of Education (MDE) that your district has a racially identifiable school, please list each of those schools below. Add additional lines as needed.

1. Onamia Public School ISD# 401

Plans for racially identifiable schools should include the same information and follow the same format as districtwide plans. Provide that information in the Racially Identifiable School section of this document.

Partnering Districts Racially isolated districts must partner with adjoining districts on student integration strategies (Minn. R. 3535.0170). List the districts you will partner with, adding additional lines as needed. Provide the name of your integration collaborative if you have one: Enter name.
